**Dear AL BAR;**

On behalf of the organizing committee, I would like to invite you to the 19<sup>th</sup> International Conference on Chemical Education (19<sup>th</sup> ICCE), IUPAC CCE's flagship conference to be held in August 12-17, 2006 in Seoul, Korea.

The 19<sup>th</sup> ICCE will provide an ideal opportunity for you to share and exchange experiences and expertise related to recent trends in chemistry and chemical-related education, dissemination of chemistry and chemicals information, innovative instrumental methods, the latest research findings, and the benefits of the chemistry and chemicals for humanity and society. The 19<sup>th</sup> ICCE will include symposiums, workshops, plenary lectures, and keynote speeches, general papers, posters and exhibits that will enhance your professional knowledge.

**Your abstract, Abstract No. 19ICCE-A0393**, entitled "SYSTEMIC STRATEGY OF DEVELOPING THE SKILLS OF STUDENT IS REFLECTED ON THE SUSTAINABLE DEVELOPMENT OF LEARNING OUTPUTS" has been accepted to be presented at the 19<sup>th</sup> ICCE by the Abstracts Committee.

We advise you to make an early registration and get an advantage of the reduced fee. Early registration will be open till June 30, 2006.

We trust you could accept our invitation and obtain the necessary funding as the Korean Chemical Society cannot provide any financial assistance for you to participate in this Conference.

I look forward to seeing you in Seoul in August.

Sincerely yours,

Choon H. Do  
Chairman of the Organizing Committee of 19<sup>th</sup> ICCE  
The Korean Chemical Society
